The Powers That Be: Theology For A New Millennium

Walter Wink

The Powers That Be: Theology for a New Millennium is a book by theologian Walter Wink. It reclaims the divine realm as central to human existence by offering new ways of understanding our world in theological terms. Wink reformulates ancient concepts, such as God and the devil, heaven and hell, angels and demons, principalities and powers, in light of our modern experience. The book offers new ways of understanding our world in theological terms, reclaiming the divine realm as central to human existence.

The book is based on Wink's Powers trilogy, which includes Naming the Powers, Engaging the Powers, and Powers That Be: Theology for a New Millennium. It is a revised and abridged version of Wink's Powers trilogy, in which he helps us reformulate our ancient concepts such as God and Satan, angels and demons, principalities and powers, in light of our modern experience. Wink offers new ways of understanding our world in theological terms, reclaiming the divine realm as central to human existence.

The book has been well-received, with positive reviews from readers and critics alike. It has been praised for its clear and accessible writing, its fresh perspective on theology, and its practical application to contemporary issues.

The Powers That Be: Theology for a New Millennium is a must-read for anyone interested in theology, spirituality, and contemporary issues. It is a powerful and influential book that has had a significant impact on the field of theology and spirituality.
